

YWAM San Diego / Baja

YWAM San Diego / Baja was formed in 1991 when Sean Lambert our founder and president brought a team from YWAM LA down to Tijuana to build a house for a needy family. They were so impacted by the incredible need that they decided to devote their lives to building homes for Mexican Families. Since then YWAM has built over 2000 homes for needy families, hosted 1000's of young people on our mission adventures programs, and transformed the lives of hundreds of young people through our Discipleship Training Programs. We now have 3 operating locations on the Baja. Ensenada, Tijuana and Tecate, along with our corporate office in San Diego. The ministry now has over 95 full time staff.

Our Ministry is split into 4 different areas:

- 1: Discipleship Training Schools - 5 month discipleship program for young people.
- 2: Mission Adventures - Short Term mission trips for youth groups. This ministry is now in locations around the world.
- 3: Homes of Hope - Facilitating short term teams to come down to Mexico to build a home for a needy family. Teams spend 2 - 4 days with us and in that time they will have provided a new home for a family.
- 4: Youth outreach / Skate Ministry - Organizing events to show love to the young people of Ensenada. Every Saturday our parking lot is turned into a skate park, which attracts young people from all over the town.

MEET THE KEMP FAMILY

Working with YWAM
in Ensenada, Mexico

WHY?

People often ask us why we do this. Why does a family give up friends, family and financial security and move to the other side of the World to work with the poor & needy?

WE BELIEVE IN JUSTICE!

We Believe there is an Almighty God Who is interested in the likes of Me and You

We Believe that **EVERY CHILD** on this planet **DESERVES** the **LOVE** of a Mum & Dad.

We Believe that **EVERY PERSON** should have a **ROOF** over thier **HEAD**, so that the rain stays on the **OUTSIDE**.

We Believe that **PEOPLE** should not be **BOUGHT** or **SOLD**.

We Believe that we should do **MORE** than just **TALK**.

Through our work in the training schools in Ensenada, we want to multiply ourselves, and encourage our students and staff to go above and beyond what they could ever dream of.

Thou shalt not be a victim. Thou shalt not be a perpetrator. Above all, thou shalt not be a bystander.
